Stokke® Stroller Summer Kit

Stokke® Stroller Summer Kit

Stokke® Growing together.™

Stokke® Stroller Summer Kit

41950 Stokke Stroller Summer Kit Stroller Baby Blue .V1. November 2014

STOKKE

Keeps your baby cool.

The Summer Kit is developed with your baby in mind to protect their sensitive skin on sunny days. The Summer Kit is designed to provide maximum protection from the sun and heat. It offers UV protection, keep your baby cool even in warm temperatures. The smart sunsail shades your child from direct sunlight so that they won't feel hot or uncomfortable while they rest in the shade. Summer Kit also includes extra ventilation netting for extra protection.

Parts included:
Sunsail, hood with visor, rear textile cover, seat rail cover and terry cloth seat cover.

Sunsail
Hood with Visor
Rear Textile Cover
Seat Rail Cover
Terry Cloth Seat Cover

Fits Stokke® Stroller Seat and Stokke® Xplory® Carry Cot.

Stokke® Quality
We are deeply committed to creating the best solutions for children. You can trust that every Stokke® product is designed with a stylish design to still allow you to stroll in style. Stokke® stroller accessories are made of high quality materials.

This ventilation netting increases important air-flow through the stroller and around your child. All materials offer UPF 50+ protection.
